**CELEBRATING FAMILY** The feast of the Holy Family at the end of the year was a chance for us all to think about our own families and to celebrate with them.

This year offers an unusual opportunity to do that in a very special way. On August 21-26, the World Meeting of Families (WMOF) will take place in Dublin: its highlight - a visit from Pope Francis.

During the WMOF, there will be a wide-ranging programme of talks and workshops for adults, events for young people and various activities for children. That's in addition to exhibitions, cultural events and musical performances plus daily Mass.

All are welcome at this important and joyful international gathering. So why not start planning a visit now - more details to follow.
