**Day of Prayer for Prisoners & their Families**

*"I was in prison, and you visited me"*

Prisoners' Sunday is an opportunity to consider how we, as individuals, as a Church, and as communities, are serving our brothers and sisters affected by imprisonment. There are record numbers of people behind bars. Inspectors regularly report instances of vermin, violence, self-harm and people languishing in cells with nothing to do. At the same time, too many people are released with no home, no job, no family and no hope. The ripple effects of this crisis are felt well beyond the prison walls. The lives of hundreds of thousands of families and children are affected as they, too, serve a hidden sentence. Having a mother, father, husband or wife in prison can have a devastating impact – more than half of families tell us they are struggling to afford the basics for themselves and their children.

Your support in our Retiring Collection for PACT – the national Catholic prison charity, will help women and men in prison and their families to make a fresh start.
