THE MONTH OF OCTOBER is a good time to re-evaluate the place the Rosary has in our lives. Many great popes, saints, and Christian leaders have exhorted us to pray the rosary. It is a powerful prayer, they say, one that can change your life, strengthen the family, bring peace to the world, convert entire nations, and win the salvation of souls. Saint John Paul II said that as a young man, praying the Rosary helped him realise that not only does Our Mother Mary direct us towards Christ, but Christ also directs us towards His mother. Christ is saying 'look what marvels I have worked for my mother'. Devotion to the saints, and especially to Our Lady, is so important because it marks out why our faith is so special. God's grace is not something superficial, but penetrates the core of our being. God has promised to make us like Himself. Our Lady is the first in whom this promise has been fulfilled, and so she is worthy of the highest of praise.
