Today is WORLD DAY of the POOR

The theme for this year is: "The prayer of the poor rises up to God" (Sirach 21:5). This theme emphasises that the poor are special in God's

eyes, and that he hears their prayers. It also encourages the Church to engage with poverty in today's world. Pope Francis has said that care for the poor should not be limited to providing material aid, but also spiritual care, so that prayer becomes a way of communion with them and a sharing in their suffering.

ASSISTED SUICIDE BILL - We, as a parish, now have a petition at the back of church, for you all to sign. We will then send all the signatures, together with an official letter to our local MPs, as a collective parish opposition to this proposed bill, before its Second Reading in Parliament on the 29th November. Archbishop John has [urged us all to oppose](https://rcsouthwark.us12.list-manage.com/) assisted suicide. As followers of the Lord Jesus, he said: "we are called to care for those who are suffering, not to bring about their death". The bill has been published this week, as it continues to make its way through parliament. Use the link below, or the QR code, to write to your MP and voice your opposition **URGENTLY.** <https://rcsouthwark.us12.list-manage.com/>

Message from THE AGENCY for EVANGELISATION and CATECHESIS:

Every parishioner, as well as teachers and parents in our schools, now has free and unlimited access to the workshops created by the world-renowned Catechetical Institute. From Scripture to parenting workshops, to catechetical training and mentoring, there is something for everyone. To register your free account, and for more information visit: <https://aec.rcaos.org.uk/franciscan>.

THE CATECHESIS OF THE GOOD SHEPHERD accompanies children - age 3-13 - in their 'Faith Journey' helping them to develop a personal relationship with God.

Children enter gradually and more deeply year after year in the Mystery of the Kingdom of God, through the Bible, the Liturgy & Sacraments and Prayer. Each presentation is followed by practical work leading the child to meditate on the spiritual reality behind what has been presented. The little ones can use materials with figures to "act" the scriptures that are read to them, work with collages, drawing, paint and clay etc. Personal activities will help them focus and get a glimpse of the love and glory of God, which will be progressively unveiled in the other levels.
