## CORPUS CHRISTI

### THE MOST HOLY BODY & BLOOD OF CHRIST

Today we celebrate the solemnity of the Most Holy Body and Blood of Christ, a feast proposed by Saint Thomas Aquinas, Doctor of the Church, to Pope Urban IV, in order to create a feast focused solely on the Holy Eucharist, emphasising the joy of the Eucharist being the Body and Blood, Soul and Divinity of Jesus Christ. Having recognised in 1264 the authenticity of the Eucharistic Miracle of Bolsena, on input of St Thomas Aquinas, Pope Urban IV established the feast of Corpus Christi as a Solemnity and extended it to the whole Roman Catholic Church. In many Catholic countries - including Rome in Italy - presided by the Pope - a procession of The Blessed Sacrament, displayed in a Monstrance is held, followed by Benediction. This is a beautiful tradition and a wonderful witness to our Faith.

### TODAY IS ALSO FATHERS' DAY

We remember all fathers, grandfathers, and all those who mentor and guide us with fatherly love and advice. We remember and keep in our prayers also Fr Uche, Deacon John-Simon and all clergy, who are always there to fulfil our spiritual needs. We also remember those who are no longer with us but who live forever in our memory and nourish us with their love. St Joseph, Father & Protector of the child Jesus, Pray for us and Protect us.

## DIOCESAN DAY FOR CATECHISTS ~ POSTPONED ~

*Message from The Agency for Evangelisation and Catechesis:* Owing to the RMT rail strikes, the decision has been taken to postpone the Diocesan Day for Catechists next Saturday, 25 June 2022. We were greatly looking forward to being able to gather together for the first time since 2019 but we realise that it will be impossible for many catechists to travel to the Cathedral. We are happy, however, to announce that the Day for Catechists will instead now take place on Saturday 12 November 2022, for which new registration forms will be sent out. More info nearer the time.

**ST MARY'S UNIVERSITY** - the UK's oldest Catholic university, has just launched an MA in Social Justice and Public Service. The programme can be taken full time or part time. It has two unique aspects. The first is that it requires participants to undertake service to the community through a UK charity. That service will be related to the taught part of the programme in an assessed portfolio. Secondly, there is a very wide range of modules with a social justice and charity management orientation from which participants can choose. These include modules on human trafficking; education, development and social justice; Catholic social teaching; bio-ethics; and charity marketing and a range of other possibilities. A number of these modules can be taken either by distance learning or face-to-face, whichever students prefer. The programme can be taken by people who are already working or volunteering for a charity and the charitable service that they are already doing will fulfil the "service-learning" aspect of the programme. The charitable service does not have to be unpaid. As such, the programme is helpful for those who wish to learn more about the academic side of their charitable work, for those who might wish to develop their career within a charity or for those who are looking for a Master's programme that will combine practical and taught elements. Further details of the course can be found at: <https://www.stmarys.ac.uk/postgraduate-courses-london/social-justice-and-public-service>
