JESUS' MIRACLES OF HEALING

In this Sunday's Gospel from Mark, we are told more about the miracles of healing Jesus performed by the Sea of Galilee. Jairus, a synagogue official and a man of great standing in the community had total faith that Jesus could heal his daughter, who had been suffering from ill health for a long time. He fell at Jesus' feet and asked him to intervene. The second story is of the desperate woman who had been haemorrhaging for twelve years, and who was brave enough to secretly touch Jesus's cloak and believe that it would be enough to heal her. These 2 people both showed their complete trust and faith in Jesus, in their own way, and Jesus rewarded them by granting them the healing they so desperately needed. May we also have the courage and faith to believe that God will answer our prayers and always know our utmost need.

O God, who through the grace of adoption chose us to be children of light, grant, we pray, that we may not be wrapped in the darkness of error but always be seen to stand in the bright light of truth. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God, for ever and ever.

TUESDAY 29th June is the FEAST of SS PETER and PAUL

The Feast of SS Peter and Paul is an annual celebration in the Christian calendar of the lives and deaths of the two great saints: Peter and Paul. Commemorating the lives of important Christian saints and martyrs, and especially one of the Twelve Apostles or somebody who knew Jesus personally, has been an important aspect of Christian life ever since the first century CE. The joint feast day of SS Peter and Paul is of particular importance because of the enormous influence that these two men had on the development of the early Church.

St Peter, originally called Simon or Simeon, is often viewed as the leader of the Twelve Apostles of Jesus Christ. According to the Gospels, Simon and his brother Andrew were fishermen on the Sea of Galilee before being called by Jesus to be his disciples. Jesus gave Simon the name 'Cephas' meaning 'rock', which in Greek is 'Πέτρος' or 'Petrus', hence the English name 'Peter'. As one of the Twelve Apostles, Peter witnessed many of Jesus' teachings and actions. He is portrayed in the New Testament as a bold but flawed follower, who, despite promising never to betray Jesus, denies him three times before the crucifixion. After Jesus' death and resurrection, Peter journeyed far and wide to spread the news of the Gospel and appears to have been considered the leader of the Church. He founded the Church in Rome but was later put to death by the order of the Emperor Nero in about the year 65 AD. According to tradition, he was crucified upside-down because he did not feel worthy to die in the same manner as Christ. Peter was the first Pope, due to his primacy amongst the other apostles; and his founding of the Church in Rome established it as the centre of the worldwide Church. St Peter is always portrayed with a key (to the kingdom).

St Paul, originally known as Saul, had a very different background to St Peter. Saul was a devout Jew and Pharisee from the city of Tarsus and was a great persecutor of Christians in the first years of the Church. However, he received a dramatic conversion experience on the road to Damascus and was subsequently baptised as a Christian. Saul, thereafter usually known by his Greek name Paul, travelled across the known world preaching to Jews and Gentiles alike about the Gospel of Jesus Christ. His influence on the early Church was incredible, and a significant. Paul was executed in Rome during the reign of the Emperor Nero, probably in the year 68 AD. As a Roman citizen, he was executed by beheading rather than the more brutal method of crucifixion. Although he never met Jesus Christ physically, Paul's influence on the evolution of Christianity cannot be overstated. St Paul is always portrayed with a book (because of his prolific writing).

In a sermon by St Augustine of Hippo in the fourth-century AD he states, "both apostles share the same feast day, for these two were one; and even though they suffered on different days, they were as one. Peter went first, and Paul followed. And so, we celebrate this day made holy for us by the apostles' blood." (*Understanding Theology*)
