Dear Fr. Uche:

APPRECIATION

Warm Easter greetings from Rome!

On behalf of the Holy Child Sisters providing essential health care at Gidan Magoro in the outskirts of Abuja, Nigeria, I write to thank you and the parishioners of St. Joseph's New Malden, for your generous Lenten observance and sacrifice amounting to £1500, which is a big support to the health care ministry of the Sisters.

What is intriguing about your support this year, is that it was directed to assist rural women whose health needs are often not met. Your support to the Cornelian Maternity and Rural Health Care Facility has made it possible to reach more rural women in Gidan Magoro. You have also enabled the Sisters to continue counselling, testing and treatment programs for the benefit of these women, who live on the margins of the city.

Thanks to you and your beloved parishioners for your 2022 Lenten sacrifice. It is a demonstration of our faith journey which is anchored in the Glory of the Risen Christ.

May the Risen Christ bless you and reward the generosity of your parishioners.

Yours Sincerely,

Fr. Jude C. Nnorom CSSp
